

Instructions for Putting Sinsational smile Content on your website

With this Zip file we have tried to make it as easy as possible for you to add the content and images to your website to help inform your patients about the benefits of Sinsational Smile Teeth Whitening.

We have broken these instructions up into two categories, One is for the novice web developer who may be using a platform like wix, squarespace, or other “drag and Drop” website builder tools. The other is for more advanced web developers using a code base that they manage and maintain for for practice.

Instructions for Novice or Drag and drop Web Platforms:

- 1) Download the images in this zip file that you want to use on your new page.
- 2) Identify the new page on your website that you want to upload the images to, and simply add images to this page.
- 3) Copy content in this zip file and paste it into the page with the newly uploaded images.
- 4) Since you should have the ability to drag the text and image boxes into place on your page, you can organize these images and text in any way that you would like. (below is an example of how it might look when you are done)

The screenshot shows a dental website header with a logo and navigation menu. The main content area features the title "Benefits of Sinsational Smile Teeth Whitening." and the Sinsational Smile logo. Below the logo is a photograph of a smiling woman and a block of text describing the whitening system. At the bottom of the text block is a button that says "Schedule a Whitening Today".

Benefits of Sinsational Smile Teeth Whitening.

Sinsational Smile
A smile so bright, it's real.

With Sinsational Smile, the best in-Office Teeth Whitening System in the Country, it's easier and faster than ever for you to show off your brightest, healthiest smile! Sinsational Smile is the original 20-minute in-office teeth whitening system that utilizes fast and effective technology to give you teeth that are 2-3 shades whiter. Whitening your teeth with Sinsational Smile involves the use of a patented, pre-fitted silicone tray. This system allows the gel to remain seated and comfortable throughout the treatment while the use of an LED accelerating light activates the gels whitening ingredients at a faster rate, resulting in a brighter smile and whiter teeth in less time. As part of your procedure, you will also receive a take-home maintenance pen to further extend your new brighter smile.

Why choose Sinsational Smile? Sinsational Smile has been awarded the best in-office whitening system 2014, 2016, 2017, and 2018 by The Dental Advisor and is the top selling in-office whitening product of the largest US dentists. Not only is Sinsational Smile a favorite of Dental Professionals, but Sinsational Smile has been engineered to be an effective and pain-free treatment with 98.1% of patients experiencing ZERO sensitivity while using the system. Clinically proven to work in 20 minutes without sensitivity, you'll be on your way to a brighter smile in no time.
